econTECH+

Motor Oil

econTECH+ is a premium performance, multigrade, heavy-duty diesel engine oil specifically designed to lubricate a wide range of diesel and gasoline engines requiring API CI-4, ACEA E7 performance lubricants operating under the most severe service.

15W-40 - API CI-4/SL, ACEA E7

Features & Benefits

Minimizes fleet maintenance costs

Exceptional soot dispersion keeps fuel soot in suspension, avoiding filter plugging, cylinder head sludge, abrasive polishing wear and oil thickening.

Minimizes fleet operating costs

Excellent deposit control on valves and piston crownlands reduces oil consumption. Exceptional oxidation stability and soot control extend oil drain capability so that equipment is in service longer generating revenue.

Extends engine life to overhaul

High level of anti-wear additive protects against valve train wear and scuffing of highly loaded parts operating under boundary lubrication conditions.

Application

- Trucks, buses and construction equipment with turbochargers/EGR/DPF/ CPF/ SCR
- Vehicles and equipment for which engine oils of the following [Performance Standard] are recommended

Performance Standard

- Volvo VDS-3, Mack EO-M Plus, Renault RLD-2, CES 20078
- DTFR 15B110(MB 228.3), MAN 3275, MTU Type 2, Cat ECF-2/1a

Typical Properties

SAE Viscosity Grade	Density	Kinematic Viscosity		Viscosity Index	Flash Point	Pour Point	TBN	HTHS	CCS	Base Oil
	kg/L @15°C	mm²/s @40°C	mm²/s @100°C		°C	°C	mgKOH/g	mPa s @150°C	cP	
15W-40	0.871	104	14.3	140	237	-41	10.2	4.0	4,600 @-20°C	Synthetic Technology

*The above data may differ slightly from the actual value of the product within the range where there is no abnormality in product performance.
